Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 08 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy with afternoon showers on Sunday.

This Evening and Tonight:
Remaining rather windy as heavy rain continues to fall over the majority of Wales this evening. This rain will ease during the early hours to become patchy and light for some, and dry for most. Milder than previous nights. Minimum temperature 8 deg C (46 deg F).

Sunday:
A cloudy start with occasional patches of drizzle further east will brighten through the morning. Scattered showers, sometimes heavy, during the afternoon before easing by evening. Windy near the coast. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
Remaining rather windy and unsettled throughout. Some sunshine although showers or longer spells of rain at times too. Nights turning milder but days turning chilly again.
